1. Nature of operations

The Communist Party of Canada (the "Organization") is a not-for-profit political organization. In the year of acquisition, capital assets are amortized at 50% of the annual rate.

(c) Revenue

Donations to the Communist Party of Canada are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

(d) Contributed services

A substantial number of volunteers contribute a significant amount of their time each year. Because of the difficulty of determining the fair value, contributed services are not recognized in the financial statements.

(e) Use of estimates
