AUDITOR'S REPORT

To **Stephen Best, Official Agent**
Animal Alliance Environment Voters Party of Canada
101 – 221 Broadview Avenue
Toronto, Ontario, M4M 2G3

We have audited the Registered Party Return in respect of General Election Expenses (the "Return") of the **Animal Alliance Environment Voters Party of Canada** for election expenses incurred during the general election held on **October 19, 2015**. Our audit was designed to enable us to report as required under Section 438(1) of the Canada Elections Act. This Return is the responsibility of the Official Agent of the **Animal Alliance Environment Voters Party of Canada**. Our responsibility is to express an opinion on this Return based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards and the requirements of the Canada Elections Act (the "Act"). Canadian generally accepted auditing standards require that we plan and perform an audit to obtain reasonable assurance whether the financial information is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial information. An audit also includes assessing the accounting principles used and significant estimates made by the Official Agent, as well as evaluating the overall presentation of the financial information. The Canada Elections Act does not, however, require us to report nor was it practicable for us to determine that the accounting records include all transactions of the **Animal Alliance Environment Voters Party of Canada** for the general election held on **October 19, 2015**.

In our opinion, the Registered Party Return in Respect of General Election Expenses of the **Animal Alliance Environment Voters Party of Canada** presents fairly, in all material respects, the information contained in the financial records on which the Return is based, in accordance with Section 438(1) of the Canada Elections Act and the accounting guidance issued by Elections Canada.
