**Auditor's Report on Registered Party Financial Transactions Return Pursuant to Section 424 of the *Canada Elections Act***

Mr. Stephen D. Best, Chief Agent  
PO Box 39519, Cawthra Lakeshore PO  
579 Lakeshore Road East  
Mississauga, ON L9M 2G3

To Stephen Best, Chief Agent for the Animal Alliance Environment Voters Party of Canada

In accordance with the *Canada Elections Act* an audit of the Registered Party's Financial Transactions Returns is required for the fiscal year which ended December 31, 2010.

We have audited the Financial Transactions Return of the Animal Alliance Environment Voters Party of Canada, prepared in accordance with the accounting requirements of Sections 415 through 435 of the *Canada Elections Act* and with guidance from Election's Canada's *Guide to Registered Associations' Financial Statements*. The audit was done for the fiscal period ending December 31, 2009 and in accordance with the Canadian generally accepted accounting principles under paragraph 424(2)(f) and (g) of the Act.

This financial information is your responsibility as Chief Agent for the Animal Alliance Environment Voters Party of Canada. Our responsibility is to express an opinion on this financial information based on our audit. Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards, which require that we plan and perform an audit to obtain reasonable assurance whether the financial information is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial information. An audit also includes assessing the accounting principles used and significant estimates made by the financial agent, as well as evaluating the overall presentation of the financial information.

The Act does not, however, require us to report, nor was it practicable for me to determine, that the accounting records include all transactions relating to the party. Due to the inherent nature of the transactions of registered political parties, the completeness of contributions and other revenue and expenses is not susceptible to satisfactory audit verification. Accordingly, our verification of these amounts was limited to the amounts recorded in the party's accounting records.

In our opinion, the Financial Transactions Return of the Animal Alliance Environment Voters Party of Canada presents fairly, in all material respects, the information contained in the financial records on which it is based in accordance with the accounting requirements of the *Canada Elections Act*.

Sincerely,
