Auditor's Report

April 9, 2009

To the Chief Agent of the
People's Political Power Party of Canada
107 Marion Street
Winnipeg, Manitoba
R2H 0T2

We have audited the Registered Party Return in Respect of General Election Expenses (the "Return") of the People's Political Power Party of Canada for election expenses incurred during the general election held on October 14, 2008. Our audit was designed to enable us to report as required under Section 430 (1) of the Canada Elections Act. This Return is the responsibility of the Chief Agent of the People's Political Power Party of Canada. Our responsibility is to express an opinion on this Return based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards and the requirements of the Canada Elections Act (the "Act"). Canadian generally accepted auditing standards require that we plan and perform an audit to obtain reasonable assurance whether the financial information is free of material misstatement. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial information. An audit also includes assessing the accounting principles used and significant estimates made by the Chief Agent, as well as evaluating the overall presentation of the financial information. The Canada Elections Act does not, however, require us to report nor was it practicable for us to determine that the accounting records include all transactions of the People's Political Power Party of Canada for the general election held on October 14, 2008.

In our opinion, the Registered Party Return in Respect of General Election Expenses of the People's Political Power Party of Canada presents fairly, in all material respects, the information contained in the financial records on which the Return is based, in accordance with Section 430 (1) of the Canada Elections Act and the accounting guidance issued by Elections Canada.

The total election expenses in the Return are \$ 2,810.45.
