Report of the Auditor on the Registered Party Return In Respect of General Election Expenses

I have audited the Registered Party Return in Respect of General Election Expenses for the Work Less Party of Canada for the Federal Election held on October 14, 2008. This statement is the responsibility of the party. My responsibility is to express an opinion on this statement based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement. Due to the inherent nature of the transactions of electoral campaigns, the completeness of contributions and other revenue and expenses is not susceptible to satisfactory audit verification. Accordingly, my verification of these amounts was limited to the amounts recorded in the campaign's accounting records.

In my opinion, this statement presents fairly, in all material respects, the General Election Expenses of the Work Less Party for the election held on October 14, 2008.
