

INDEPENDENT AUDITOR'S REPORT

To the Chief Agent of the Green Party of Canada Fund

Qualified Opinion

We have audited the Registered Party's General Election Return of the Green Party of Canada Fund for the general election of October 21, 2019, which includes the pre-writ period from June 30, 2019 to September 10, 2019 and the writ period from September 11, 2019 to October 21, 2019, and notes to the Return, including a summary of significant accounting policies (collectively referred to as the "Return")

In our opinion, except for the effect of the matter described in the Basis for Qualified Opinion paragraph, the accompanying Return of the Green Party of Canada Fund for the general election of October 21, 2019 is prepared, in all material respects, in accordance with the financial reporting provisions of Section 437 of the Canada Elections Act, and the "Political Financing Handbook for Registered Parties and Chief Agents" issued by Elections Canada and dated June 2019, including the related "Written Opinions, Guidelines and Interpretation Notes" issued by Elections Canada (the "accounting framework").

Basis for Qualified Opinion

Due to the inherent nature of the transactions of electoral campaigns, the completeness of expenses is not susceptible of satisfactory audit verification. Accordingly, our audit of these amounts was limited to the amounts recorded in the Chief Agent's accounting records. Therefore, we were not able to determine whether any adjustments might be necessary to the Return.

We conducted our audit in accordance with Canadian generally accepted auditing standards ("Canadian GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Return section of our report. We are independent of the Green Party of Canada Fund in accordance with the ethical requirements that are relevant to our audit of the Return in Canada, and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter - Basis of Accounting

We draw your attention to Note 1 to the Return, which describes the basis of accounting. The Return is prepared by the Chief Agent of the Green Party of Canada Fund to meet the requirements of the Canada Elections Act. As a result, the Return may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

As required by subsection 438(1) of the Canada Elections Act, in our opinion, the Return presents fairly the information contained in the financial records on which it is based.

Responsibilities of the Chief Agent and Those Charged with Governance for the Return

The Chief Agent is responsible for the preparation of the Return in accordance with the accounting framework, and for such internal control as the Chief Agent determines is necessary to enable the preparation of the Return that is free from material misstatement, whether due to fraud or error.

Those charged with governance are responsible for overseeing the Green Party of Canada's financial reporting process.

Auditor's Responsibilities for the Audit of the Return

Our objectives are to obtain reasonable assurance about whether the Return as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

INDEPENDENT PRACTITIONER'S REASONABLE ASSURANCE REPORT ON COMPLIANCE

To the chief agent of the Green Party of Canada Fund

We have undertaken a reasonable assurance engagement of the Green Party of Canada Fund's compliance during the period of the general election of October 21, 2019, which includes the pre-writ period from June 30, 2019 to September 10, 2019 and the writ period from September 11, 2019 to October 21, 2019, with the applicable requirements of Division 1 (General Financial Provisions) and Division 2 (Political Parties) of Part 18 (Financial Administration) of the Canada Elections Act (the "Act") as per Subsection 438(1) of the Act mentioned in Note 1 (collectively, the "legal provisions").

Chief Agent's Responsibility

The Chief Agent of the Green Party of Canada Fund is responsible for the Green Party of Canada Fund's compliance with the legal provisions. The Chief Agent is also responsible for such internal control as the Chief Agent determines necessary to enable the Green Party of Canada Fund's compliance with the legal provisions.

Our Responsibility

Our responsibility is to express a reasonable assurance opinion on the Green Party of Canada Fund's compliance with the legal provisions based on the evidence we have obtained. We conducted our reasonable assurance engagement in accordance with Canadian Standard on Assurance Engagements 3531, Direct Engagements to Report on Compliance. This standard requires that we plan and perform this engagement to obtain reasonable assurance about whether the Green Party of Canada Fund complied with the legal provisions, in all significant respects.

Reasonable assurance is a high level of assurance, but is not a guarantee that an engagement conducted in accordance with this standard will always detect a significant instance of non-compliance with the legal provision when it exists. Instances of non-compliance can arise from fraud or error and are considered significant if, individually or in the aggregate, they could reasonably be expected to influence the decisions of users of our report. A reasonable assurance compliance reporting engagement involves performing procedures to obtain evidence about the Green Party of Canada's compliance with the legal provisions. The nature, timing, and extent of procedures selected depends on our professional judgement, including an assessment of the risks of significant non-compliance, whether due to fraud or error.

We believe the evidence we obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Our Independence and Quality Control

We have complied with the relevant rules of professional conduct / code of ethics applicable to the practice of public accounting and related to assurance engagements, issued by various professional accounting bodies, which are founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behavior.

The firm applies Canadian Standard on Quality Control 1, Quality Control for Firms that Perform Audits and Review of Financial Statements, and Other Assurance Engagements and, accordingly, maintains a comprehensive system of quality control, including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Basis for Qualified Opinion

Due to the inherent nature of the transactions of electoral campaigns, the completeness of General Election expenses is not susceptible of satisfactory audit verification. Accordingly, our verification of the Green Party of Canada Fund's compliance with the legal provisions referred to above was limited to the amounts recorded in the Chief Agent's accounting records.

Qualified Opinion

In our opinion, except for the effect of the matter described in the Basis for Qualified Opinion paragraph, the Green Party of Canada complied with the legal provisions during the pre-writ period from June 30, 2019 to September 10, 2019 and the writ period from September 11, 2019 to October 21, 2019, in all significant respects.

We do not provide a legal opinion on the Green Party of Canada Fund's compliance with the legal provision.
